## Summary

Full Stack web developer with a Digital Media Production degree and experience in the live events, media, and television industry. Recently earned a certificate in Full Stack development from the University of Kansas with new skills in Javascript, jQuery, CSS3, HTML5, Bootstrap and responsive web design. I enjoy problem solving and am a flexible worker that can work as a team or individually to get the task completed. I strive to further my knowledge and challenge myself everyday.

## Technical Skills

HTML5, CSS3, Javascript, jQuery, Bootstrap, GIT, GitHub, Adobe Creative Suite

## Experience
